*I have been to over 100 events in the past 25 years and the Wing Fest was a winner! The amphitheater was packed, the activities were fun and the food was awesome. We needed this after the time we spent in North Carolina doing Hurricane Helene support!*

## HOW WE WORK WITH OUR COMMUNITY

Our founder, Thomas Evans doesn't normally disclose his philanthropic efforts, but we feel that his good deeds should not go unnoticed:

Having lived through Hurricane Hugo as a child, Thomas values the good folks over at The Carolina Emergency Response Team for their efforts after weather related events impact our community.

Thomas is known as celebrity interviewer Charlamagne Tha God's "First White Friend." They have maintained that friendship all their lives. Thomas fully supports Charla's charity, Third Eye Awareness, which is best known for book bag and turkey giveaways at their Alma Mater, Berkeley High School in Moncks Corner, SC.

As a child, Thomas lived with his Grandmother whom he lost to cancer at 11 years old. More recently he lost a lifelong friend and resident of Hanahan to cancer as well. It goes without saying that Thomas contributes to the American Cancer Society. He is also on the planning committee for the "Making Strides Against Breast Cancer" event in Charleston, which celebrated its 10 year anniversary in 2024 at Johns Island County Park.

With a love for English Bulldogs and Frenchies, Thomas has witnessed the overbreeding of them by unscrupulous animal farms. Over the years Thomas has supported rescue agencies and has personally adopted 5 dogs, Rachael Ray, Audrey Hepburn, Ms. Peaches, Ms. Maisey and Mr Hank.

The Charleston Wing Fest is happy to be working directly with the Lowcountry Food Bank, CERT, The Hanahan Exchange Club, Cub Scouts, and Charlamagne Tha God's Third Eye Awareness.

We would love to discuss how The Charleston Wing Fest can be a fit for your goals!

Thank you,
